FAQs

1. What happens once I have paid the deposit and signed the contract?

Once you have signed the contract, please send this back to us via email or drop it off to the hotel's main reception. There will then be a contact delay time, until 4-6 weeks before your big day. We will then contact you to arrange a final details appointment, where every detail is finalised. This gives you enough time to collect everything you need in preparation – and we will organise the rest. Final balance will then be due at this point.

2. What does my final details appointment entail?

Within your final detail's appointment, we discuss all aspects of your big day. We require you to bring the following information:

- Pre-calculated meal choices for each guest, for example: x33 Roast chicken and x28 Vanilla cheesecake.
- Allergen information and dietary requirements for your guests.
- A table plan with dietary requirements clearly labelled for the specific guest it relates to, this allows us to cater to any specific requests or dietary requirements efficiently.
- Table layout for guest favours etc.
- Final number of day and evening guests.
- Information on exterior suppliers, for example the name of the company who will be supplying your flower wall, timings for set up and where you'd like this in the room.
- Any special requests or personal touches.

3. Can I drop in to see you?

Unfortunately, we are appointment only due to our small busy office, appointments allow us to dedicate more time to you to discuss the occasion.

4. Can we have an early check in?

Early check in is never guaranteed, we advise that you secure a room the night before so that you can get glam sooner!

5. Do you organise my registrar?

You will need to organise your own registrar with your local council, please see this link for the below.
<https://northnorthamptonshire.zipporah.co.uk/Registrars/Account/Register>

6. What do I do with my wedding cake?

You can bring the cake in the day before or morning of your wedding, please just advise if this will need refrigerating.

7. How will I keep on track with the timings on the day?

You have a dedicated wedding co-ordinator on the day who will know all the timings discussed from your final detail's appointment. They will be leading you through the day and prompting your guests through. Please note – timings do not always run exactly as stated, but we will make sure the day runs smoothly no matter what.

8. How do my guests book a room on the discounted rate?

Once you have confirmed your wedding date with us, you will be given a code to quote when booking, please call the hotel directly to make these bookings or alternatively book this online using your discounted code.

9. Do you take cash?

We are a card only hotel.
